PlayGround

collab	when	who?
me&you collab	back then	participants -
me&you collab2		show participants me and you and a dog named boo

text before

another test

~

text after

. . .

folded plugin inline test text before unfold blah blah this is hidden blah blah text after

This is example text with some of it only shown when you unfold it. And after that the text just continues to flow in the same paragraph.

show table

This table is only shown when you unfold the block
